

**DECLARATION OF PERFORMANCE No: BP/0713/002**

<b>Unique identification of the product-type</b>	Solvent Cement SC125 (125ml) SC250 (250ml) SC500 (500ml)
<b>Identification of the product</b>	Product code
<b>Intended use</b>	Spigot and socket bonding of non-pressure thermoplastic pipe systems in PVCu and ABS
<b>Contact</b>	Polypipe Building Products Broomhouse Lane Edlington Doncaster DN12 1ES
<b>ACVP System</b>	4

**Declared Performances**

<b>Essential characteristics</b>	<b>Performance</b>	<b>hEN</b>
Resistance to pull out (shear strength)	$\geq 3.0 \text{ Mpa (n/mm}^2\text{)}$ at 480h	EN 14680:2006
Tightness of bonded joints (Durability)	No leakage	
High temperature resistance of bonded joints (Durability)	No leakage	

The performance of the product identified above is in conformity with the declared performance.
