

# historic flags & circles

Historic Flags provide the look and feel of traditional natural stone with similar hard wearing characteristics. The fettled edges and riven face add to the warmth and charm of these flags and make them ideal for both old and new properties.

- HARD-WEARING SURFACE, FROST PROOF, 50MM DEPTH
- CAN BE LAID QUICKLY ON SAND BED - AVOIDING EXPENSIVE MORTAR BASE

## IMPORTANT INFORMATION

Historic Flags should be butt jointed as wide joints are not recommended. Please use Rompox or similar material to fill joints in preference to mortar, which can stain the product.
