

# KNEEPADS

**FE ENGEL**

## KNEEPADS 9080-994

One pair of ergonomically designed shock-absorbing kneepads. The kneepads are shaped to fit the human knee and therefore they give the optimal comfort, protection and flexibility. The shape of the kneepad makes it easy to insert in all FE Engel's knee pockets and the smooth surface prevents the kneepad from sticking to the pants. Tested in accordance with classification EN14404 -A1:2010 based on the EU Directive 89/686/CEE, Type class 2.

QUALITY: 100% e.v.a.

COLOUR: 20 Black

SIZE: One Size
