DERAMORE 2 PANEL

There is a certain gravitas about the Deramore, which comes from it's understated low profile mould and the depth and positioning of the mid-rail. This door is sure to add a degree of sophistication to any home interior.

OSBOURNE 3 PANEL

The Osbourne is a 3 panel 'twist' on it's sister door the Deramore, and comes in a solid or fully glazed version. This door is equally at home in a period or modern setting depending on the décor and your preferred colour finish.
